

GREEN DEVIL

Technical Bulletin

MATERIAL & FUNCTION

GREEN DEVIL is a specialty acidic detergent with a wide variety of applications including:

- Removal of iron ore dust deposits from vehicles, plant & equipment,
- Neutralization & removal of bore water stains & scale buildup (do not use on glass surfaces)
- Cleaning of aluminium, removal of brake carbon buildup on alloy wheels and red dust removal from vehicle underbodies
- Brightening of aluminium, however ideally BRITE AL (Schedule 7 Poison) should be used for this purpose.

Building Industry Applications

GREEN DEVIL is particularly effective for the cleaning of terracotta prior to sealing, where the surface has been heavily soiled or marked.

APPEARANCE

GREEN DEVIL is a water thin liquid, light green in colour and is easily spray applied for difficult to treat areas.

APPLICATION

General:

For light duty cleaning dilute 1 part GREEN DEVIL to 10 or 20 parts water. For moderate cleaning use 1 part GREEN DEVIL to 5 parts of water. For heavy buildup dilute 1:1 with water. Apply evenly to surface to be cleaned, leave for 1 - 2 minutes and then agitate or scrub the area. Rinse off with copious amounts of FRESH LIME DETERGENT and water. DO NOT ALLOW TO DRY BEFORE RINSING. (External areas rinse with a hose).

Building Industry Applications:

Dilute 1 part GREEN DEVIL with 10 - 20 parts of water for most applications. For problem areas dilute 1 part with 5 - 10 parts of water. Apply solution freely and evenly to surface and allow a contact time of 1 - 2 minutes and then agitate or scrub area. Rinse with copious amounts of FRESH LIME DETERGENT and water. DO NOT ALLOW TO DRY BEFORE RINSING. Apply neutraliser solution in accordance with label and allow appropriate contact time before rinsing.

CAUTION

GREEN DEVIL is a Schedule 6 Poison. GREEN DEVIL is highly corrosive and users should prevent skin and eye contact or breathing spray mist and vapours. For full information obtain the appropriate Material Safety Data Sheets from KLEN INTERNATIONAL.

PACKAGING

1 Litre, 5 Litre & 15 Litre containers.

IMPORTANT NOTICE TO CUSTOMER

Since the use of this product is beyond the control of either seller or manufacturer, their only obligation shall be to replace any quantity of product which is proven defective. They cannot assume any risk or liability in excess of the purchase price of the product itself, which does not include labour or any consequential damages resulting from the use of this product. Determining the suitability of this product for any intended use shall be solely the responsibility of the user. ALWAYS TEST FIRST.
